Pink Lady Classes Are Started

Orientation Classes for members of the Everglades Memorial Hospital Auxiliary got under way in the dining room of the hospital on Tuesday night of this week with a repeat class Wednesday morning.

J. C. Simonds, Jr., hospital administrator, addressed the Pink Ladies briefly before turning the classes over to Mrs. Hilda Jensen, superintendent of nursing. Mrs. Jensen outlined the various kinds of work a volunteer auxiliary worker can do at the hospital, and the kind of work a Pink Lady is not eligible to do and is not expected to do.

This six-hour Orientation Course is being offered in three two-hour classes on Tuesday nights and Wednesday mornings to enlighten women who are, or are interested in becoming, members of the Auxiliary as to their duties.

The various duties of a volunteer Auxiliary worker include working on the floor as a receptionist, helping to keep hospital records through filing papers and the like, typing and distributing hospital menus to patients, wheeling the Auxiliary cart from room to room. There is also hospital work that can be done in the home.

If any woman has not joined the Auxiliary because she feels she is not capable of doing the work or might dislike it, this is the opportunity to find out what it is all about. You are invited to attend these classes and learn the many pleasant ways you might serve your hospital as a volunteer Pink Lady or a volunteer home worker. There is a job for all who are willing to volunteer their services. Come and find out the kind of work you would like to do.

Plans are being made to show a film relating to the work of the Pink Ladies at the next classroom sessions Tuesday evening, Feb. 15, from 8 to 10, and Wednesday morning, Feb. 16, from 9 to 11. You all come — everyone is invited.

Former Broker Dies In Georgia

Former Glades vegetable broker Max A. Beverly, 58, died Sunday night in Ochlocknee, Georgia, where he had lived for the past 10 years since retiring from the vegetable brokerage business in Pahokee. Funeral services were held Tuesday morning at the Ochlocknee Methodist Church and burial was in Ochlocknee cemetery.

Mr. Beverly was one of the leading vegetable brokers in the Lake Okechobee Region for many years, having come here in the early thirties. Upon his retirement from the brokerage business 10 years ago, he and his family moved to the Georgia city where he enjoyed semi-retirement, having owned an interest in the bank at Ochlocknee and other commercial enterprises there.

He is survived by his widow, Clara Nell; two sons, Joe E., Atlanta; Kenneth, Athens, Georgia; two brothers, Walter Beverly, Ochlocknee, A. D. Beverly, Pahokee and one sister, Mrs. Marie Thompson, Atlanta, Georgia.

The deceased was a brother of Al Beverly of the Pahokee produce firm of Beverly's, Inc. Besides the local produce man, who went to Georgia for the funeral, others going were: Mrs. Grady Boynton, mother-in-law of the deceased, Mr. and Mrs. Rudy Faulk of Belle Glade and Mr. and Mrs. Joe Tom Boynton of Pahokee.

\$4.00 Celery And \$4 Corn, Cabbage \$3

A little dab of sweet sugar corn from the east coast and some from the Immokalee section has been selling this week for \$4.00 per crate. Some from the Immokalee area was said to have been free from frost damage.

Celery came through the cold weather in fairly good condition and growers are realizing a good price — \$3.00 per crate — for their offerings. The demand has been moderate this week and the market steady at the aforementioned price.

Cabbage that came through the rough weather has been bringing around \$3.00 to \$3.50 per bushel since that cold spell. The market is slightly stronger this week and the demand has been very good.

Within the next week or ten days there will really be a scarcity of sweet corn in south Florida, so one grower said yesterday. Everything that came through the freeze will have been marketed by that time, he said.

Funeral Services Mrs. Butler

Funeral services were held Saturday afternoon at the Canal Point Baptist Church for Mrs. Ida Mae Butler, 80, who passed away on Wednesday, February 2. Rev. Lawrence Stewart, pastor of the church, officiated at the funeral and interment was at Port Mayaca Cemetery.

Active pall bearers for the funeral were J. H. Brodeaux, Grady Echols, Russell Maxson, Alton Jones, D. L. Hooks and J. L. McCall.

The deceased came to this area in 1922 from Baker, Florida. She was a member of the Canal Point Baptist Church and for many years was active in church work.

Survivors include four daughters: Mrs. E. L. Riffey, Sebring, Florida; Mrs. W. A. Scott and Mrs. M. L. Lairsey, both of Canal Point; Mrs. E. R. Riffey, Pahokee; 12 grandchildren and 23 great grandchildren.

Wetherington Funeral Home in Pahokee was in charge of arrangements.

Out-of-town guests who attended the funeral of Mrs. Ida Mae Butler on Saturday were her daughter and family, Mr. and Mrs. E. L. Riffey and daughter, Eva Lee, of Sebring; Mr. and Mrs. Charles Lairsey, Sebring; Mr. and Mrs. F. Mrs. Mabel Young of Pahokee was named manager of the Glades Office Building on Tuesday of this week at the regular meeting of the county commission. Her appointment was made retroactive to February 1 for seniority and pay reasons. Her salary will be \$5,013 annually.

Mrs. Young has been employed in the Glades Office Building for more than three years and was employed by Paul Rardin, then county commissioner. She has worked under the direction of Mrs. Mae C. Pope, who has been office and building manager since the day the building opened, nearly eight years ago. Mrs. Pope's resignation was requested by the county board.

Mrs. Young is the wife of Dave Young, Pahokee vegetable grower. Mrs. Elsie Epstein, wife of the owner and operator of the Glades Club, Henry Epstein, is another employee at the building and Mrs. Mary Arthur Starling of Pahokee is the third employee in the office.

FOR STATE SENATE

Robert W. Rust, First Assistant to County Solicitor Marvin U. Mounts, Jr., announced Wednesday his candidacy for the newly created 49th seat in the State Senate, one of the two new Senate seats acquired by Palm Beach County under the Legislature's Reapportionment Act.

Expect One Million In Dividends

Everglades Federal President Richard A. Poston said recently that should present growth of the Association continue through 1966 that dividends of a million dollars should be paid at the end of this year. Mr. Poston just recently assumed the presidency of the Association, having been advanced from Vice President and manager at the recent board of directors meeting. The Association was chartered on December 13, 1933, and was eighth in the state of Florida and 47th in the United States. Mr. Poston said that at the close of 1965 the Association had assets of more than 26 million dollars, an increase of 7.6 per cent over the previous year of 1964.

Robert D. Apelgren of Pahokee is the former chairman of the board and W. B. Rhodes, a Belle Glade accountant, is immediate past president of the Association. Claude Shirley was recently elected chairman of the board.

Rhodes and Apelgren remain as board members along with Municipal Judge Robert E. Mathews, Jr., James A. Ball, Jr., Shirley, Walter D. Hooker and Bert A. Roemer, who was named to the post following the death last year of Peter J. LaChance.

H. B. McCall remains as vice president as do Lee Cranford and Elmer T. Jones, Pahokee. Helen V. Morris continues as vice president and secretary and Mary Lou McDonnell, treasurer.

Explorer Scouts Are Organized

The first Explorer Scout troop in the Pahokee-Canal Point area, with eight charter members, has been organized and will be sponsored by the Pahokee Police Department with Patrolman Charles M. (Sonny) Brown named as advisor.

He will be assisted by Vance G. Denton. Among the other interested citizens who have been named to the governing board are Robert McIntosh, Oscar Dobrow, Bill Carraway and Richard Lane.

Dick Hurt was named to head the group, assisted by David Carraway and Robert Levans. Other members are Danny Denton, Bob McIntosh, Guy Wood, Jr., Dickie Strayer and Greg Grimes. The first official meeting of the group was Thursday at 7:30 p.m. at the Police Department.

Mr. H. M. McIntosh and Mrs. Lloyd Hundley spent Friday in Miami.

Council Seats Up For Election

At Pahokee's annual election scheduled to be held on Tuesday, May 2, a large number of candidates will be seeking office. The election is scheduled for the same day that the state and county primary elections will be held — May 2.

Pahokee, under its present laws, will name a police chief, city clerk, mayor and four city councilmen. A special referendum is scheduled to be held in the city on March 8 and its passage could change some of these elective offices, according to city officials.

Mayor Duncan Padgett, who is completing his second term, will in all probability, be a candidate for reelection to another term. His opposition has not shown up yet on the political horizon. Some talk is to the effect that one of the present councilmen may oppose him.

Councilmen Salvatore, Elarbee and Thompson will be rounding out their terms and their positions on the board will be up for contest. Which ones will seek reelection is not known at this time, but political prognosticators say that two of the three will seek reelection to their present jobs.

R. F. Hurt, who has been promoted by his company, may move to Fort Lauderdale, thus leaving another seat vacant on the council — making it four seats to be filled in the May 2 election.

Marshall Lair, named to the city clerk's job last July, will be in all probability, a candidate for a full term in the coming election. No opposition has been named for him as yet.

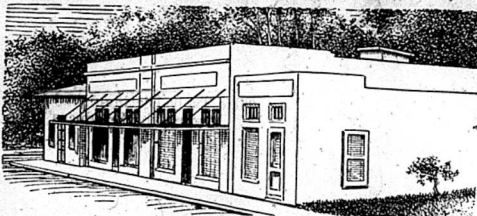

Chief of Police Guy Wood's term expires. He ran last year for the one year unexpired term of Leon Guthrie and was successful. He has not yet announced his intention of running for a full term, but it is thought that he will offer his candidacy.

Browning Roach Dies Tennessee

Browning Roach, 54, former resident of Pahokee and husband of a Pahokee girl, the former Margaret York, passed away in the hospital at Maryville, Tennessee, on Tuesday, February 8. The funeral will be held in that city today and is scheduled for 3:30 in the afternoon.

The deceased worked with the U. S. Sugar Corporation for many years before leaving the Glades with his family to make their home in Maryville. Mrs. Roach is the daughter of Mrs. J. R. York of Pahokee, who was at the Roach home when Mr. Roach passed away. There are three sons.

Mrs. Glenn Andrews of Canal Point is a patient at Good Samaritan Hospital in West Palm Beach where she is undergoing tests and expects to have surgery.

Newsman Invited To Board Mee's

Superintendent Robert W. Fulton has announced a unanimous decision by the county school board to invite professional newsmen officially representing the area's mass news media (newspapers and radio and television stations) to the conferences the board has with the superintendent prior to the official public board meetings.

The part time area business and professional men who comprise the five-man county school board are "briefed" at these conferences on school problems in order to discuss and vote on the issues at subsequent public board meetings. These "briefing" conferences always take place in the future at 6 p.m. on days scheduled for the 7:30 board meetings.

Those invited to the pre-board "briefing" conferences will be the Superintendent, members of the county school board, those administrative staff officials needed by the board for elaboration and clarification of problems presented, and full-time professional accredited members of the area's press corps.

Superintendent Fulton recently

initiated regular full-scale news conferences on days following board meetings, when he makes himself available to the press for answering questions.

He has also placed on a regular monthly basis, workshop meetings between himself and his staff, with all principals of the Palm Beach County schools. At these workshop meetings, he requires his department heads to be present to answer queries from the principals.

Also, Mr. Fulton last year invited the executive secretary of the Classroom Teachers' Association to meet him on a weekly basis. These conferences take place each Tuesday morning in the Superintendent's office immediately prior to Mr. Fulton's weekly meeting senior members of his own staff.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

that the Fair will continue to grow and prosper until it becomes the single outstanding event of the year in Palm Beach County. He has been a resident of Palm Beach County since 1955 when he sold his extensive business interests in Pittsburgh to come to Florida.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
